

EASTER OPEN

International Youth Tournament

Regulations

Boys U12 and U11, girls U13

Playing time: 1x 30 minutes (no rest). The mentioned playing time applies to both group and final matches. If final matches result in a draw after the applicable playing time, a penalty shootout will take place

Number of players: 8 per team, unlimited substitutions

Officials: 1 neutral referee, NO assistants

Goal area: This is marked by placing two cones or caps of a different color at the side of the 16 meters. The goalkeeper's area indicates up to where the goalkeeper may have the ball in his hands and up to where the back ball may be taken.

Penalty kick distance: 9 meters from the goal line

Yellow card: 2-minute penalty

Red card: exclusion, no substitution possible and possible suspension of 1 or more consecutive matches

Bench misconduct: Red card for an (assistant) coach or substitute means that a player must be removed from the field and the team must continue playing with one player less per excluded individual.

Offside: No

Free kick: These may always be taken immediately, with the opponent at least 5 meters away.

Corner Kick: Corner kicks are taken from the corners of the playing field by dribbling, passing or shooting the ball. In all cases, a goal can be scored directly by the player who takes the corner kick. The opponent is at least 5 meters away.

Goal kick: This is taken from the ground within the goalkeeper's area by dribbling, passing or shooting the ball. The back ball can be taken by either the goalkeeper or a field player. The opponent is at least 5 meters away.

Throw-in or kick-in: When the ball is thrown out, the game is restarted by dribbling in.

Passing and/or shooting is not allowed. The opponent is always at least 5 meters away.

Kick-off: The kick-off is taken by one of the teams in the middle of the field.

Both teams start from their own half. At kick-off you may shoot (and score) directly at goal.

Back pass: A back pass (played through a foot) may not be picked up by the goalkeeper. If this is done, the student referee will explain that this is not allowed. If the violation is

repeated, an indirect free kick will follow nine meters from the end line. A back pass that does not go through the foot (shin, knee, upper body and head) may be picked up.

Spectators/parents: Members of the public, other than the trainer, coach (max 2 people) or substitutes, are located at a WIDE distance from the field, so not ON the side or back line. If this does happen, the referee stops the game.
